With this issue, we start our 20th year. Where did the time go? Seems like only yesterday we were in Suze Randall's studio shooting the first cover image.

Over these 20 years, we have had the great fortune to work with some of the world's best photographers. Thank you to Chas Krider, Eric Kroll, Ken Marcus, Clive McLean, Matti Klatt, Steve Diet Goedde, Andre Baylock, W.T. Nelson, Carlos Batts, Dave Naz, Guido Argentini, Richard Kern, Jo Hammar, Lee Forbes, Lightworship, Clover and many others.

We have blazed the trail, photographing subjects that had not previously been seen. Bondage with sex is one of our breakout topics. Being able to show realistic enjoy-

ment of BDSM, with the appropriate expressions, has always been a must for TABOO.

We like pissing as a topic. The more the better. Showing people playing, whatever their roles are, is our goal. Your fetish might be very oddball, but not to us. We want to know about it. If we can help get you out of the closet with our coverage, all the better.

Are you a little? A big? Have a thing for enemas? Cages? Deprivation? Cross dressing? We want you to feel at home at TABOO. Write us, send some photos (make sure you're over 18 with proof—don't fuck with us).

It is our aim to bring you beautiful fetish girls enjoying their perversions for all to see.

Stick around. You might just see yourself!

When did you start fetish modeling and under what circumstances?

It was in Budapest for a movie about foot fetish. It was really ticklish and funny and also exciting. I didn't know I would like it so much.

You have a foot fetish, so do you like to be tickled while you're bound?

Yes, I love to laugh. Sometimes it's hard to breathe, but it is exciting. I cannot control my body's response to tickling; that is what makes it fun!

Do you like pain in your feet or just tickling?

No, pain I like on my tits or on my ass, or I like to be choked.

Do you like your nipples squeezed or clamped?

I never did it but I want to experience that in the future. I like my nipples to be teased and bitten.

What fetishes do you like and do you have an interest in fetish in your private life?

I like bondage. I think it's exciting and fun to try at home. Being tied up and feeling completely at the mercy of another person's whim is fun. Of course I have to trust that person implicitly.

Have you ever been spanked before and did you like it?

Yes I've been spanked and I enjoyed it. In the heat of passion it can be really hot and a surprise.

What is the wildest thing you've ever done on or off set?

On set it was bondage. I had to have my hands and feet tied behind me in a weird position while being fucked. It was really tough.

Have you ever been pissed on or pissed on someone?

No. Just squirting, but that's not peeing, although some people think it is.

What do you think about anal?

I think it's really heavy and intense. When I'm really horny I like it, and sometimes it's too much.

Why did you want to shoot for TABOO?

I think it looks really pretty. I am interested in photography, especially erotic.

Are you in a fetish lifestyle partnership or would you like to be in one?

Yeah maybe part-time, that would be fun. I like it when a man takes charge.

Have you ever been the dom?

Yes, but only in movies.

Which do you like better, being a submissive or being a dom?

I like being a submissive more. I get turned on when someone else controls me sexually.

MONTREAL MADNESS

Photos by Gerry Koehler

Those wacky Canadians are at it again! Yes, the annual Montréal Fetish Weekend did not disappoint this year. Gaggles of latex-, leather- and everything-you-can-think-of-clad revelers gathered to mingle and sweat. Lots of sex, ambiguous gender designation and BDSM mixed up in one fabulous three-day happening. There was definitely something for everyone! The townsfolk got an eyeful as the red carpet walkers strutted their stuff. See you next year!

What was your favorite part of the shoot today?

Being tied up is my favorite thing ever and being a submissive. And the fact that I was able to pee a lot!

Tell me about your experience with pissing and how you discovered that you like it.

One day, my ex-boyfriend and I were drinking Blue Moon beers (which have kinda dark bottles) and he pissed me off, so I went to bed. We had the beer bottles standing next to us near the bed, and in the middle of the night, while I was sleeping, he put plastic wrap on top of the bottles and put them in the fridge. The next day I asked for a beer, and he got the beers from the other night and gave me the one with less in it. I started drinking it and noticed that it didn't taste right and said, "Dude, this tastes weird." Then my ex tasted it as well as his friend, and they both agreed that it didn't taste right. When I started to drink more of it, my ex remembered that he was so drunk the night before that he had pissed in one of the bottles. That was my first experience with drinking pee. The same guy I dated was into kinky sex all the time; our whole relationship was based on sex. He liked to use a leash and collar on me, and that's how I got into what I do now, being peed on. I did everything, even "blumpkins."

What are "blumpkins"?

It's when you give a guy a blowjob while he's taking a shit. It's not very pleasant, especially if he doesn't have a good diet.

Is there anything that you've done that you didn't enjoy or didn't want to do?

I would say definitely scat play. If I'm

fingering a guy or girl in the ass or fucking them with a toy and something comes out, I'm not going to freak out about it; but I'm not going to eat it or have anyone shit on me or me on them. I've had people request that before. And there was this one guy who wanted me to do things with animals, and I definitely wasn't down for that. I'm also not into peeing on people, because I'm not a very dominant person. I'm romantic but firm, and like to stimulate in all the right ways, but I don't really do the full-on dominant role. I'm not very good at degrading people. My personality is too nice, and I don't like hurting people. But I'm open to learning how to talk shit more, if that's what someone wants.

Who do you like better in the porn business, girls or guys?

Definitely guys, because they are always into me more than girls. But I've been told so many times that I lick the best pussy in the world because I'm so passionate about it. I love eating pussy! It's my favorite thing in the world! Threesomes with two guys is fun because you have multiple dicks, and they can put them in every hole. I do love threesomes with girls, and I especially love to let them sit on my face while they're getting fucked—that's a lot of fun! I'm straight bisexual; I love guys and girls equally.

What animal do you like to pet play?

As I got older, I realized that I was acting more like a kitten. I would crawl on all fours and wear a collar, and I would drink alcohol out of a dog bowl. A sex kitten.

What's the most extreme thing you've ever

done in front of the camera?

Being tied up and hung from the ceiling and fucked! Also being caned and zapped and drinking pee and getting hardcore dominated. Ass-to-mouth is a lot more brutal than it seems, but it's fun.

What's the most extreme thing you've done in your personal life?

Probably when my boyfriend of three years once confided in me that his biggest fantasy was to watch me and my ex-boyfriend fuck. I used to tell him that my ex was the best sex I'd ever had. So I called my ex and he agreed to do it—I *knew* he would do it because we were sexual fire together! When we got to his house, my ex tied my boyfriend to a bed and put a cock cage on him and beat me and dommed me and fucked me on top of my boyfriend for four hours. We stayed there for three days doing that. Other than that, my boyfriend has watched me get fucked by two really hot black guys with huge cocks, and *that* was fun. I've also done hardcore BDSM, rape role-play, pet play and faux incest.

Where do you see yourself in five years?

I see myself as a crossover star between Hollywood and porn. I definitely want to have my own porn site, which will be amazing because I will put up everything that I want to do the way I want to do it. I'm going to pick my own directors and actors and shoot things the way I want to.

Do you have anything you'd like to tell the TABOO readers?

I'm an actress who genuinely loves sex. I love what I do, and I'm a TABOO person!

"Gushing geysers of piss under the desert moon, I wonder how long we've been holed up here at the shack. Days and nights go by in a blur of heat, internal and external, so remote from who we are back in the world. Here I'm hooded, anonymous fuck meat.

"When the sun is high, we hide indoors where I suck the fluids out of his salty cock. I go out amid the rocks and sand to empty my bladder of swallowed spunk diluted with quarts of water. Seeing that my show makes him hard again, I crawl back to him like a thirsty bitch, whining and begging for more."

How long have you been in the business?
Since September 2016.

Do you like it?
Yes, I like it a lot.

What is your favorite part of being in the business?
A lot of the girl/girl scenes. I enjoy it in my personal life, so whenever it comes to me having a GG scene, then I notice that it goes quicker for me.

When you are with girls, are you the dominant one?
Yes, I'm the Dom with girls, and with guys I'm more submissive. Sometimes I like to be the dominant one with guys, 'cause some guys prefer that side rather than submissive.

What are some things that you would do as a dominate to a guy?
I would like to fuck a guy in his ass. I guess it would kind of take away his manhood. I would like him to worship my feet, stuff like that.

You have beautiful legs and feet, and I can see how they are worthy of being worshiped. Is that something that you do in your personal life also?
Yes, I enjoy it. I like when a guy likes feet a lot. It's very interesting and a turn-on for me. For myself, whenever I see a girl with pretty feet, it's nice. So whenever I see a girl whose feet aren't done, it's a turn-off. I just appreciate nice feet.

How was the first time you tried anal?
The first time was tragic because

we didn't use any type of lube, so it hurt a lot. The second time I tried it, I actually enjoyed it.

Have you done any S&M or bondage yet?
No, not yet. I'm still new. I want to, though, soon, because I'm into that in my personal life. In my head, I have this fantasy about getting into S&M and bondage and being dominant and submissive, but in your personal life, it's kind of hard to go up to someone and ask if they're into that type of thing.

How do you feel about the pissing shots we did today? There are some people that enjoy drinking piss, and you did a nice job pouring your own martini. What did you think about that?
It was really interesting.

Do you think you would be turned on by a guy who's that submissive to you, that he would drink your piss?
Yes, why not? I haven't gotten that far yet in my personal life. The only thing I've done so far is a guy asking me to piss on him.

How was that?
It was different for me. He took me out on a date and asked me later, as the night went on, if I'd ever piss on him. I said yes, and now I like doing that. It's my thing.

How do you feel about receiving a golden shower?
I'm open to it. I think that, if I like giving one, then it shouldn't be so bad getting it done to me. I might try it one day.

What's the wildest (sexual) thing you've ever done?
I'm not sure if this is really wild, but I've had a foursome before. It was wild for me, lots of combinations.

What was the combination of people?
It was one of my friends and a model. It all happened randomly, not planned. It was two girls (including myself) and two guys. It was my first foursome. I'd had threesomes before.

Any DPs?
There was with my friend, but not with me.

Did you want to try it?
Yeah, but one of the guys got sensitive about it, so I just let it go.

What are some of your personal interests? What kind of music do you like?
I like a wide range of music...hip-hop, soul, pop, but I like it all. I don't have a favorite genre. But for fun I like to go outside and do activities. I hate being indoors. I like to go places and meet new people and see new things.

Where are you from originally?
I was born in Illinois, but I've lived in Southern California since I was a little girl.

Where do you see yourself in five years?
I think I'd like to move to a different state or country. I want to travel the world and see new things. I kind of want to get into music. I enjoy writing poetry.

BREAKING WANDA

PHOTOGRAPHER
LEE FORBES

WANDA DOESN'T GIVE IT UP EASY.

All surly magnificence in her towering heels and gaspingly tight corset, her sullen expression and stubborn disobedience are betrayed by a hungry little gash that never stops dripping. No slack for this haughty slave-babe. Her downy butt-cheeks glow with red handprints and crop-stripes. Suck the dick or get the stick. Or both. Lock on the shoes, or she'll kick them across the room. Cunt. Whore. Fuck-meat. These are the pet names that get her attention. Sneering and defiant as I strap on her serving tray, her eyes say never, but her quivering clit begs for more. Bodies don't lie. Wanda whines about taking it up the ass, but her clutching shit-chute desperately milks my cock.

Swung off the floor by her aching arms, she turns her face away, ashamed of her own heat, even as her hips rock back and forth over my impaling rod. The chains rattle furiously overhead with the racking spasms of her coming, but I don't expect gratitude, only obedience. She takes what she's given, never pleading for mercy or pleasure. Choking and gagging on a tool still hot and greasy from her rectum, Wanda takes the gullet full of thick, syrupy jizz like medicine, repulsed and excited by the sticky defilement of her pouting face.

She'll learn her place, but I hope it takes her a long time.

Completely edible looking, from the colour of her skin, to the smoothness to the touch, to her shape.....

Yes, I could go on and on.

When she showed up at my room I was paralyzed just looking at her, Beautiful!!!
